

Headmaster's Message

Dear Students,

We have already finished our 1st Term and in some classes you have finished half of your term. I hope you will learn from your setbacks and will focus more to attain a better result in future. My warm applause goes to you all for participating in your Annual Athletics, RS Conference, Outing and ECA. These surely helped you to become a better person.

Class 5 and 8 students, it is time to give more time and focus in your writing. In addition, you should allocate equal time to study for each subject at home. Please read every line of the book in order to be able to answer MCQ.

Students, this is high time to embrace Bangla New Year 1423. We call our Bangla year "POHELA BOISHAKH", the 1st day of summer.

Emperor Akbar started the Bengali calendar-year on 10 March, 1585, but it became effective from 16 March, 1586 the day of his ascension to the throne. The basis of the Bengali year is the Hejiri lunar year [Muslim era

counted from the year of Hazrat Muhammad's (SM) going to Medina in 622 AD] and the Bengali solar year.

On Pohela Boishakh day, people gather in the morning to have a look at the sunrise since this is considered to be sacred. Songs ushering the new year are performed by singers. Bengalis can be seen in their traditional attire. While young ladies wear saris and young boys wear Kurta Pajama or dhotis. There is also an age-old tradition of starting the day by having breakfast consisting of panta bhat (soaked rice) along with onion, green chilies and fried Hilsa fish.

I would request you to adopt cleanliness in the new year. You should keep your self, your classroom and school clean. Please use bins to drop garbage.

Finally my best wishes to you for a better term filled with new knowledge, activities and achievements.

SHUVO NOBOBORSHO!

Tohsin Khan

Academic Coordinator's Message

Dear Students,

Thank you for welcoming me to your school with such love & enthusiasm. It is very encouraging to see all of you trying to adjust to some new academic changes that we've introduced this year. All of you are destined for great things in life. Through hard work Insha Allah all your wishes will come true.

Sadia Nizam

Charity Carnival

Like every year this year also we will observe "Pohela Boishakh" through "Charity Carnival" at CGS NC. This year it will be held on 9th April, 2016. All Teachers, Students, Parents and Staff will take part. The charity helps community school students to have better education as they are also an important part of society.

Coming up:

◆ Charity Carnival: 9.4.2016

PTM:

◆ Classes 1-5 & 8:

23.4.2016

Holidays:

◆ Bangla New Year: 14.4.2015
