Headmaster's Message

Dear Parents and Students,

Welcome to a very happy New Year. The New Year comes with new colourful books, new classes, new friends and a fresh new start. This year is about improving studies, breaking own boundaries in sports and cultural activities. To improve academically, students must be regular at school, they should also be excited to bring their books, copies and diaries. Students should follow teachers' instructions in school and at home. It is a request to all parents to get your child in the habit of following a routine/time table for studies at home.

CGS NC believes in developing students not in terms of their results only but also to strive for excellence in extracurricular activities. It is also impor-

tant to become a good human being.

They should show due respect to teachers, and also care for children who are less privileged by involving themselves in community service. Helping others will make your child a complete human being.

The year is jam-packed with tests, exams, events, exploring new places, growing fellowship, community service etc. The amazing train of school has started and the time has come to enjoy the ride.

In this new journey, me, my teachers and staff will accompany you with our warm and consistent support. Let's have a great school year full of accomplishments, cooperation and progress.

Directors' Message

Dear Parents,

We wish you a very warm welcome, parents old and new, to the school year, commencing January, 2016. As we step into our 7th year we would like to thank you for choosing CGS-NC for the education of your child. We hope to meet your expectations. Together with your support we can achieve great things.

This year we bid farewell to long serving Head, Farida Chowdhury as she enters retirement at the age 70! Mrs. Chowdhury joined the CGS family in 1994 and completes 21 years with us.

An admirable feat, celebrated at the recent Annual Staff Convention. Taking over is Mr. Tohsin Khan, who most of you are familiar with. We wish him the best of luck in this role. He has a strong senior management team along with trained teachers to support him and to deliver quality education to your child.

We look forward to joining hands with you in this journey to educate your child.

Best wishes to all,

Bilquis Dada, Farhat Khan,
Shereen Ispahani.
