AUGUST 2016

VOLUME 7, ISSUE 7

Headmaster's Message

Dear Students,

Hope you have enjoyed your vacation.

We are at the doorstep of the final term of our academic year. This has been a very busy year for you. But, I hope you have enjoyed the positive outcome of your hard work in second term/half yearly exam results. Those who were regular in school and also those who studied at home, your results were very good, you should be proud of yourselves.

Here I would like to suggest to you to complete your homework regularly. It will prevent you from falling back in your lessons. Also, please be regular in school. High absenteeism has its adverse effects on your grades as it makes it difficult for you to regain your lost momentum.

In previous terms we have tried to make your lessons more enjoyable through several multimedia classes. I am sure you have enjoyed educative videos and power points as well.

In the higher classes, students had field trips to the Bangladesh Forest Research Institute, Bangladesh Agricultural Research Institute and Nuclear Medicine Institute. Other than that, important workshops were held on topics like gender harassment, earthquake survival, water conservation, adverse effects of computer games and ICT. A professional doctor was also invited to school to give a talk to students regarding adverse health effects of carrying heavy school bag. We will be very happy if you follow the guidelines given in those workshops.

Our warm wishes to ACP participants who are rehearsing hard. I am sure your efforts will bring happy outcomes. Good luck and best wishes to students who are participating in CGS ART EXHIBITION 2016.

It is time now to focus and prepare for your finals, as by the end of this term you will be ready to sit for your final term exams.

To this year's P.E.C.E and JSC examinees, our advice will be to utilize every day wisely as your exam will start very soon. You should

appear for your Model tests sincerely and with your best preparation.

I hope and believe that, this term will be more productive and full of improvements for all of you.

Best Wishes.

Tohsin Khan

Congratulations to Alvin-ul-Alam student of Nursery 'C'

He has achieved 1st Runner-up position in Aloha National Competition 2016. He is invited to Indonesia for Alho Mental Maths International Competition on 24th July, 2016.

Holidays:

- **National Mourning Day:** 15.08.2016
(will be observed in school)
- **Janmastami:** 25.08.2016

Coming up: ACP 2016

ACP THEME FOR 2016

The theme for this year's ACP (Annual Cultural Programme) is 'Less Me More We: Transforming Our Community'. Each year the theme is chosen by popular vote from all CGS school teams. In addition to the cultural event there will also be an art competition and conference based on the theme open to all CGS students and other Round Square schools.

'Old Clothes and Shoes donation box'

From now on a box will be available in school to donate old clothes and shoes. Please drop the donation inside the box with student's name and ID tagged. Your donation will make a helpless child smile. Each term we will announce the names of the most frequent donor in our newsletter.
